LIVESTOCK RULES AND GUIDELINES

All Livestock Entry Forms must be postmarked by July 20, 2019. No late entries will be accepted.

If you have any questions while completing the form, please call Deanna Cunfer – (570) 401-4670

1. **Please refer and abide with General Rules on page 5.**
2. Livestock exhibits will be received at the fairgrounds on Sunday, August 4, 2019 between 9 a.m. and 6:30 p.m. Rabbits and Cavies entries to arrive by 9:30 a.m. on Monday, August 5, 2019.
3. The 4-H Market Sale will be on Saturday, August 10, 2019. The sale will begin promptly at 1 p.m.
4. All health requirements are based on arrival date at the fair. The Veterinarian-Client-Patient Relationship statement found on the bottom of the appropriate entry forms must be signed by Exhibitor.
5. A veterinarian is on call for the duration of the Fair and he/she has the right to accept and reject animals. The veterinarian's decision is final.
6. Notwithstanding other general and registration rules, the Superintendent of the Agricultural Department has the authority to adopt policy regarding livestock breeds and entries that affect or concern the safety of patrons/exhibitors/entries; including the authority to disqualify.
7. Agricultural Department Chairman, in consultation with the Penn State Extension-Carbon County Agent, will make final decision as to acceptance of animals entered in show.
8. Exhibitors will be expected to display or show their animals as directed by the Superintendent; to accept the stall assigned without controversy; to keep their animals in an attractive appearance, and to cooperate with officials in every way that may serve to increase the educational value of the show.
9. Exhibitors are responsible for providing all supplies needed to care for their animals. The fair association will provide housing, water, and electricity.
10. Livestock judging events are listed in the front section of the premium book. It is the responsibility of the exhibitor to know the judging schedule. Stock must be in the ring promptly on call and failure to comply with the order renders exhibitors liable to be ruled out of competing.
11. If an animal cannot be controlled by the exhibitor in the show and additional people assist in showing the animal, the exhibitor automatically receives last place in the show. Only if an animal breaks free, bystanders will be allowed to intervene and then only long enough to turn the animal to the exhibitor. If an animal repeatedly breaks free from the exhibitor, the agricultural committee reserves the right to disqualify the animal and exhibitor.
12. No person other than those holding animals being exhibited will be allowed in the show ring during the time of judging, except the officials and ring stewards.
13. In order to properly control security and maintain order during overnight hours of the fair, anyone wishing to remain overnight to be with their exhibits (animals and midway) **MUST** register at the fair office and indicate the nights they intend to remain. Any youth under 18 **MUST** also have a special Parental Permission slip indicating all requested information and signed by their parent. Anyone not registered with the office by 10 PM will be required by security to leave the grounds. Also, anyone not abiding with the overnight superintendent's regulations or the security guards will be required to leave the grounds.
14. Joint ownership will be considered to be as one owner in accordance with registration papers.
15. If any animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
16. When submitting your entry forms, be aware of entry fees for different Open Class Departments. If you enter multiple items or animals in the same department an entry fee must be paid for each item or animal entered.
17. An exhibitor can have more than one entry per department. Refer to the livestock sections for specific rules regarding livestock.
18. For each Department, whether it's Open Class or 4-H, each exhibit will have a number designation accompanying it.
19. That number designation will break down to a department, section, class, division and category in some cases. At the very least, each entry should have a corresponding department, section and class. Most livestock entries will have all three numerical designations. Those numbers must be entered on the registration form correctly. An example of these numbers is as follows:

Department 3 – Beef Cattle Section 1 – Breeding Beef Class 100 – Angus

If you are entering an Angus heifer in Open Breeding Beef Cattle judging for Summer Heifer Calves your entry should look like this.

Div. 1

Department	Section	Class	Division	Entry Description

NATIONAL CODE OF SHOW RING ETHICS FOR ALL LIVESTOCK EXHIBITORS

THE STATE FARM PRODUCTS SHOW COMMISSION has developed a Code of Show Ethics to curtail unethical, deceptive and fraudulent show ring practices. The Carbon County Fair has adopted this Code of Show Ethics. The Code is as follows:

Exhibitors of animals at the Carbon County Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the Fair Association. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by show officials.
3. Junior exhibitors are expected to care for and groom their animals while at the show.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal and state statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the Carbon County Fair premises; all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter the contour, conformation, or appearance, except external applications of substances to the hooves or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the Association for violation of this Code of Show Ring ethics. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Association may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in the show is the giving of verification of the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal and state statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
12. All open classes are restricted to residents of and animals raised in Carbon County and West Penn Township, Schuylkill County, except for the Horse Show (Department 1), and the games (Department 22), which are open to anyone.

Animals that have never been vaccinated against BVD or have not been vaccinated against BVD during the previous 12 months, must receive one dose of modified live virus vaccine given at least 15 days and not more than 180 days before the show or two doses of killed vaccine, two to four weeks apart, with the last dose given at least 15 days and not more than 180 days before the show. Animals that have been vaccinated against BVD within the previous 12 months, must receive at least a single injection of modified virus or killed vaccine given not less than 15 days and not more than 180 days before the show. DEPARTMENT 10 – 4-H EXHIBITS

NO ENTRY FEE

Georgia Farrow – 570-325-2788

Deanna Cunfer – 570-401-4670

1. Members must have passed their eighth birthday and must not have passed their nineteenth birthday by January 1 of the project year (January 1 of the calendar year preceding the Pennsylvania Farm Show).
2. To be eligible to exhibit, the exhibitor must be currently enrolled in 4-H in Carbon County and must be enrolled in the project(s) being entered and be under the supervision of the Pennsylvania State Cooperative Extension. Registration must be in the Extension office by March 31st of the current year.
3. All 4-H'ers planning to exhibit at the fair must register. Livetock entry forms must be postmarked by the United States Postal Service **by July 20**. Still exhibit entry forms must be postmarked **by July 20**. Entry forms and fees are to be submitted in accordance with the general rules found in the front section of the premium book. **NO LATE ENTRIES ACCEPTED!**
4. Members who enter their animals in fairs/roundups must compete in all 4-H Projects for which they are eligible, including fitting and showing contests.
5. All 4-H livestock members must abide by all rules and requirements, health or otherwise as set forth by the Carbon County 4-H Livestock Club, the rabbit/cavies project of the Mahoning Valley 4-H Community Club, and CCLLFA as set forth in the club rules and Fair Premium Book.
6. Premiums will be offered on merit of excellence, not by entry alone. Therefore, in any one class all premiums may not be awarded if, in the judge's opinion, the other entries do not merit placement. This may also result in the omission of some placements such as first and second for awarding of only a third. Judges are all different, some may be looking for specifics, colors, or other things of interest in the area they are judging. In all cases, the decision of the judge is final.
7. All 4-H'ers must be present with their animals.
8. Extension agent will make final judgments in answer to questions not covered by these rules or the general 4-H club rules and guidelines.
9. At all times, you are expected to be on good behavior.
10. There are three classes for livestock showmanship. Junior (8-12), Intermediate (13-15), and Senior (16-18). The junior (8-12 inclusive) 4-H Fitting Classes will compete for ribbon only. This will give these junior exhibitors valuable show ring experience. However, **junior fitting exhibitors will not be in contention for Champion Fitting honors, nor will they receive premiums for their placings.**

Champion and Reserve Fitter will be chosen from the Intermediate and Senior Classes.

*First year exhibitors, regardless of age, will show in their respective age group, not with first year showman and fitters.

11. **IMPORTANT** – The 4-H member exhibiting the animal in the fitting competition must do all the work himself. Assistance (such as holding) from another 4-H'er is encouraged. Assistance from a parent, leader or another adult, is to be limited to verbal guidance. Where safety is a factor, adult assistance can be offered with discretion, but must be terminated when the task is complete.
12. For each section, each exhibit will have a number designation accompanying it. That number designation will break down to a department, section, class, division and category in some cases. At the very least, each entry should have a corresponding department, section and class. Most livestock entries will have all three numerical designations. Those numbers must be entered on the registration form correctly. An example of these numbers is as follows:

Department 10-4-H
 Section 4 – Sheep
 Class 400 – Hampshire
 Division 1 – Breeding Sheep
 Category 3 – Ewe 1 year and under 2

If you are entering an animal meeting the above definition, your entry form should look like this.

Dept.	Sec.	Class	Division	Cat.	Var.	Description
10	4	400	1	3	—	Hampshire Ewe 1 yr. and under 2

Your display tags will be given out on entry arrival day at the fair. Entry arrival day is August 5, 2018.

13. Each 4-H livestock exhibitor may show and sell a maximum of 10 market animals at the Carbon County Fair with the total for each species being: Market Steers – 1; Dairy Beef – 2; Market Swine – 5; Market Lambs – 4; Market Goats – 4. Poultry exhibitors are limited to forty (40) entries (birds); rabbit and cavies exhibitors are limited to forty (40) entries (rabbits and cavies). Members completing the poultry project may sell one pair of their choice at the livestock sale, members completing the meat rabbit project may sell one pen of 3 meat rabbits.
14. There will be no intact male project animals exhibited by 4-H members except rabbits and poultry.
15. Exhibitors will be expected to display or parade their animals as directed by the superintendent; to accept the stall assigned without controversy; to keep their animals in an attractive appearance, and to cooperate with officials in every way that may serve to increase the educational value of the show.
16. It is the responsibility of the exhibitor to know the judging schedule. Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing.
17. Keep in mind that we are guests at the Carbon County Fair and you are representing Carbon County 4-H. At all times, you are expected to be on good behavior. To set a good example for 4-H and the fair, you and your animals are expected to be clean and well-groomed upon arrival and throughout the fair.

PREMIUMS: 1st (\$10) 2nd (\$6) 3rd (\$4)

MONSTER MARSHMALLOW COOKIES

Ingredients:

For the Cookies:

2 cups all-purpose flour
 1 teaspoon baking powder
 1/2 teaspoon baking soda
 2 sticks unsalted butter, softened
 1 cup granulated sugar
 1 cup packed light brown sugar
 2 large eggs, at room temperature
 1 tablespoon vanilla extract
 2 cups quick-cooking oats
 1 1/4 cups crispy rice cereal
 1 cup milk chocolate chips
 1 cup coarsely chopped pecans
 1 cup miniature marshmallows

For the Chocolate Drizzle:

1/2 cup milk chocolate chips
 1/2 cup miniature marshmallows
 1 tablespoon half-and-half or whipping cream
 1/3 cup finely chopped pecans

Judging Criteria

Overall Appearance	25 points
Following Directions	10 points
Texture	15 points
Aroma	10 points
Flavor	<u>40 points</u>
Total	100 points

Directions

1. Make the cookies: Preheat the oven to 350 degrees F. Line 2 baking sheets with parchment paper. Combine the flour, baking powder and baking soda in a large bowl. In a separate bowl, beat the butter and both sugars with a mixer on medium-high speed until fluffy. Beat in the eggs one at a time on medium speed, then beat in the vanilla. Add the flour mixture and beat on low speed until combined.
2. Stir the oats, cereal, chocolate chips, pecans and marshmallows into the dough with a wooden spoon. Wrap with plastic wrap and refrigerate the dough for 30 minutes. Drop heaping tablespoonfuls of the dough onto the prepared baking sheets, about 3 inches apart. Bake the cookies in batches until golden, 10 to 12 minutes. TIP: baked 9 per cookie sheet, because they spread a lot. Mine were perfect at 10 minutes. They will look slightly underdone, but set up perfectly. The marshmallows will ooze out during baking. I used the back of a butter knife and formed the cookie back into shape while they were still hot. Let cookies rest on sheet pans to cool slightly, about 10 minutes. Transfer to racks to cool. Yields 4 – 4 1/2 dozen
3. Chocolate Drizzle: Combine chocolate chips, marshmallows and half-and-half in a small saucepan over medium-low heat. Heat until melted and smooth. Very quickly, drizzle over cookies using a fork and sprinkle with chopped pecans.

Enter five (5) of your best cookies for judging on a disposable plate, enjoy the rest.

DIAMOND LEVEL SPONSOR

OFFICIAL OWNER-ENDORSED POULTRY HEALTH CERTIFICATE FOR ALL EXHIBITION POULTRY, WATERFOWL, UPLAND GAME BIRDS, RATITES, AND PIGEONS

A completed Owner-Endorsed Poultry Health Certificate must accompany all poultry, waterfowl, upland game birds, ratites, and pigeons to an exhibition. The certificate must be presented to exhibition management prior to cooping of the birds. This certificate *must* be endorsed with the bird owner's signature.

The following information is required:

1. Exhibition Information:

a. Name of exhibition: CARBON COUNTY FAIR

b. Address of exhibition: 3285 Little Gap Road

Palmerton PA 18071
City State Zip

2. Owner Information:

a. Owner name: _____

b. Address: _____

City State Zip

c. Owner telephone number: (____) _____ - _____

d. Owner email address: _____

3. Testing Requirements: Owner verifies that birds shall not be comingled with untested or AI-positive birds after negative samples have been collected and before the show.

(a) Avian Influenza Testing and Verification (all samples must be collected by a Certified Poultry Technician or an Accredited Veterinarian):

- All poultry, waterfowl, upland game birds and ratites (pigeons/doves excluded) for exhibition must originate from a flock in good standing in the NPIP AI Clean Program or the NPIP H5/H7 AI Clean Program (the flock must be participating in the program – it is not considered to be a clean flock if only originating from a clean breeder flock or hatchery), and the birds must be accompanied by the most recent test report (copy acceptable). Test results must be negative. The NPIP flock number must be noted on the report.

OR

- The birds must originate from a flock in which a random, representative sample of a minimum of 30 birds, 3 weeks of age or older, were tested for avian influenza within 30 days prior to opening date of the exhibition and the birds must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If there are fewer than 30 birds in the flock, test all birds. For ducks and geese, cloacal swab samples must be collected for testing, and the swabs may be tested using virus isolation (ducks and geese) or PCR (domestic ducks and geese) techniques. **Do not combine species in one tube for PCR testing.** Birds shall not be comingled with untested or AI-positive birds after negative samples have been collected and before the show.

(b) Pullorum-Typhoid Clean Testing and Verification (pigeons/doves and waterfowl excluded). (All samples must be collected by a Certified Poultry Technician or an Accredited Veterinarian):

- All poultry including upland game birds and ratites (pigeons/doves and waterfowl excluded), must originate from a flock in good standing in the NPIP Pullorum-Typhoid Clean Program (and there was no break in the chain of ownership by NPIP participants) or from a flock in good standing in the PA Pullorum Equivalent Program and the birds must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If the rapid whole-blood plate agglutination test was done, the most recent 9-2 or state equivalent form must accompany the birds (copy acceptable). Test results must be negative. If birds are less than 1 year of age and originate from a NPIP Clean hatchery, they do not have to be tested for pullorum if they are accompanied by a 9-3 form from that hatchery and any additions to the flock were also from NPIP Clean sources. The NPIP number must be noted on the report for NPIP Pullorum-Typhoid Clean flocks.

OR

- All individual birds (pigeons/doves and waterfowl excluded) for exhibition (maximum of 300) must have had a pullorum-typhoid test within the 90 days prior to the opening date of the exhibition. The birds must be accompanied by the most recent test report or state equivalent form for the rapid test (copy acceptable). Test results must be negative. The following age restrictions apply to comply with NPIP standards:

- Chickens shall be tested at 4 months of age or older.
- Turkeys shall be tested at 12 weeks of age or older.
- Game birds shall be tested at 4 months of age or older, or upon sexual maturity, whichever comes first.
- Ratites shall be tested at 12 months of age or older.
- All birds not meeting these age restrictions at the time of sampling are exempt from pullorum testing requirements.

(c) Vaccinations: No vaccinations of any kind shall be administered less than thirty (30) days before cooping day of the show.

4. Bird identification: All poultry, waterfowl, upland game birds, and pigeons entering an exhibition must bear a unique individual identification leg band.

5. Verification of flock health status: All poultry (including waterfowl), upland game birds, ratites, and pigeons for exhibit or display are part of a flock that is free from evidence of contagious diseases.

6. Verification of pigeons: Description of pigeons (number, age, color, gender): _____

SECTION 9 - SENIOR SPECIAL BAKING CONTEST

PREMIUMS: 1st (\$20) 2nd (\$15) 3rd (\$10)

CLASS 1

LEMON CAKE WITH LEMON CREAM CHEESE FROSTING

Ingredients:

FOR THE LEMON CAKE

- 2 1/4 cups cake flour*
- 1 tablespoon baking powder
- 1/2 teaspoon kosher salt
- 1 1/4 cups low-fat buttermilk
- 4 large egg whites
- 1 1/2 cups granulated sugar
- 2 teaspoons grated lemon zest
- 1 stick unsalted butter — *at room temperature (8 tablespoons or 4 ounces)*
- 1/2 teaspoon pure lemon extract

FOR THE LEMON CREAM CHEESE FROSTING

- 8 ounces cream cheese — *softened*
- 1 stick — *8 tablespoons or 4 ounces unsalted butter, softened*
- 2 3/4 cups powdered sugar — *sifted*
- 2 tablespoons freshly squeezed lemon juice — *divided (from about 1/2 a large lemon)*
- 1 tablespoon freshly grated lemon zest
- 1 teaspoon pure vanilla extract
- 1/8 teaspoon kosher salt

Instructions

1. Place a rack in the center of the oven and preheat the oven to 350 degrees F. Butter and flour two 8x2-inch round cake pans, line with parchment paper, then butter the parchment.
2. In a medium bowl, sift together the cake flour, baking powder, and salt. In a separate medium bowl or large measuring cup, whisk together the buttermilk and egg whites.
3. Place the granulated sugar and lemon zest in the bowl of a standing mixer or a large mixing bowl and rub them together with your fingers until the sugar is moist and fragrant. Add the butter and beat on medium speed for 3 full minutes, until very light and fluffy. Beat in the lemon extract.
4. Beating on medium speed, add one-third of the flour mixture, then half of the egg/buttermilk mixture and beat until combined. Still beating on medium speed, add the next third of the dry ingredients, then the remaining eggs/buttermilk. Beat until the batter is smooth, then add the remaining dry ingredients. Beat for 2 additional minutes on medium speed, ensuring the batter is very well combined and that plenty of air has been beaten into it.
5. Divide the batter evenly between the two pans and smooth the tops with a rubber or offset spatula. Bake for 30 to 35 minutes, or until the cakes are well risen, spring back lightly when touched, and a small knife inserted into the center comes out clean. Place the cake pans on a wire rack and let cool 5 minutes, then run a dull knife around the sides of the cake to loosen. Gently invert the cake into your hand so that it comes out of the pan, remove the paper liner, then place the cake directly back onto the wire rack, bottom (flat) side down and right-side up. Let cool to room temperature.
6. Prepare the frosting: Using a stand mixer fitted with a paddle attachment or a hand mixer, beat the cream cheese and butter together on medium speed until smooth and no lumps remain, about 3 full minutes. Reduce the mixer speed to low, then add the powdered sugar, 1 tablespoon lemon juice, lemon zest, vanilla extract, and salt. Once the sugar begins to incorporate, increase the mixer to high speed and beat for 3 minutes. Add the remaining tablespoon lemon juice to thin if desired.
7. Frost the cake Place 1 layer on your cake plate. Evenly cover the top with lemon cream cheese frosting. Place the second cake layer on top. Top with more frosting and spread the frosting down around the sides. Decorate as desired.

Recipe Notes

- *Cake flour is important for this recipe to ensure the layers are extra fluffy and light. If you do not have cake flour, you can make your own by measuring 2 1/2 cups all-purpose flour, removing 5 tablespoons of the measured flour, adding 5 tablespoons of cornstarch, then sifting the mixture together 5 times. Measure out the 2 1/4 c. needed for the recipe, then bake as directed.

Submit on strong cardboard covered in aluminum foil no more than two inches from edge of cake.

Judging Criteria

Overall Appearance	25 points
Following Directions	10 points
Texture	15 points
Aroma	10 points
Flavor	<u>40 points</u>
Total	100 points

The contest will be divided into 3 divisions – 4-H Supreme Showman; Know-It-All and Novice.

In all classes every effort will be made to assure that the contestant does not show an animal from their farm or family. Animals will be selected at random by a pull of the number as designated by the show director.

1. The 4-H Supreme Showman contest will consist of competition of the Champion Showmen from the Market Steer, Dairy Beef, Market Swine, Market Goat and Market Lamb shows as selected during their individual shows during fair week.
2. For safety purposes the 5 contestants will show each of the following species in a four round event - Dairy Beef; Market Swine; Market Goat and Market Sheep.
3. If an exhibitor was selected as the Champion Showman of two or more species that individual must decide which species they wish to represent. The Reserve Showman will then be eligible to compete for Supreme Showman.
4. The judge will place five placings. Points will be awarded for each placing in that 1st place will receive 1 point; 2nd place receives 2 points, etc.
5. Should a contestant opt out of competing in an individual species round because of safety concerns or any other reason that individual will automatically receive 6 points for that round.
6. The Supreme Showman will be the individual with the least number of points at the end of the four rounds. Should there be a tie the decision of a tie-breaker is at the discretion of the judge. The decisions of the judge are final.

The Know-It-All showman contest is **limited to parents, former members and leaders of the Carbon County 4-H Livestock Club that have prior showing experience**. The contest will be divided into 2 categories - (1) under age 40; (2) age 40 and over.
