If you have any questions while completing the form, please call Ann Fogel – (484) 695-2341

1. Please refer and abide with General Rules on page 4.

- 2. Livestock exhibits will be received at the fairgrounds on Sunday, August 7, 2022 between 9 a.m. and 6:30 p.m. Rabbits and Cavies entries to arrive by 9:30 a.m. on Monday, August 8, 2022.
- 3. The Youth Market Sale will be on Saturday, August 13, 2022. The sale will begin promptly at 1 p.m.
- 4. All health requirements are based on arrival date at the fair. The Veterinarian-Client-Patient Relationship statement found on the bottom of the appropriate entry forms must be signed by Exhibitor.
- 5. A veterinarian is on call for the duration of the Fair and he/she has the right to accept and reject animals. The veterinarian's decision is final.
- 6. Notwithstanding other general and registration rules, the Superintendent of the Agricultural Department has the authority to adopt policy regarding livestock breeds and entries that affect or concern the safety of patrons/exhibitors/entries; including the authority to disqualify.
- 7. Agricultural Department Chairman, in consultation with the Carbon County Livestock Show & Sale Committee President/Chairman, will make final decision as to acceptance of animals entered in show.
- 8. Exhibitors will be expected to display or show their animals as directed by the Superintendent; to accept the stall assigned without controversy; to keep their animals in an attractive appearance, and to cooperate with officials in every way that may serve to increase the educational value of the show.
- 9. Exhibitors are responsible for providing all supplies needed to care for their animals. The fair association will provide housing, water, and electricity.
- 10. Livestock judging events are listed in the front section of the premium book. It is the responsibility of the exhibitor to know the judging schedule. Stock must be in the ring promptly on call and failure to comply with the order renders exhibitors liable to be ruled out of competing.
- 11. If an animal cannot be controlled by the exhibitor in the show and additional people assist in showing the animal, the exhibitor automatically receives last place in the show. Only if an animal breaks free, bystanders will be allowed to intervene and then only long enough to turn the animal to the exhibitor. If an animal repeatedly breaks free from the exhibitor, the agricultural committee reserves the right to disqualify the animal and exhibitor.
- 12. No person other than those holding animals being exhibited will be allowed in the show ring during the time of judging, except the officials and ring stewards.
- 13. In order to properly control security and maintain order during overnight hours of the fair, anyone wishing to remain overnight to be with their exhibits (animals and midway) MUST register at the fair office and indicate the nights they intend to remain. Any youth under 18 MUST also have a special Parental Permission slip indicating all requested information and signed by their parent. Anyone not registered with the office by 10 PM will be required by security to leave the grounds. Also, anyone not abiding with the overnight superintendent's regulations or the security guards will be required to leave the grounds.
- 14. Joint ownership will be considered to be as one owner in accordance with registration papers.
- 15. If any animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
- 16. When submitting your entry forms, be aware of entry fees for different Open Class Departments. If you enter multiple items or animals in the same department an entry fee must be paid for each item or animal entered.
- 17. An exhibitor may have more than one entry per department. Refer to the livestock sections for specific rules regarding livestock.
- 18. For each Department, whether it's Open Class or Youth, each exhibit will have a number designation accompanying it.
- 19. That number designation will break down to a department, section, class, division and category in some cases. At the very least, each entry should have a corresponding department, section and class. Most livestock entries will have all three numerical designations. Those numbers must be entered on the registration form correctly. An example of these numbers is as follows:

Department 3 – Beef Cattle Section 1 – Breeding Beef Class 100 – Angus

If you are entering an Angus heifer in Open Breeding Beef Cattle judging for Summer Heifer Calves your entry should look like this.

Div. 1

Department	Section	Class	Division	Entry Description
3	1	100	1	Summer Heifer

NATIONAL CODE OF SHOW RING ETHICS FOR ALL LIVESTOCK EXHIBITORS

THE STATE FARM PRODUCTS SHOW COMMISSION has developed a Code of Show Ethics to curtail unethical, deceptive and fraudulent show ring practices. The Carbon County Fair has adopted this Code of Show Ethics. The Code is as follows:

Exhibitors of animals at the Carbon County Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the Fair Association. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

- 1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating thereto is prohibited.
- 2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by show officials.
- 3. Junior exhibitors are expected to care for and groom their animals while at the show.
- 4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal and state statutes, regulations and rules affect the animal's performance or appearance at the event.
 - If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
 - At any time after an animal arrives on the Carbon County Fair premises; all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
- 5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter the contour, conformation, or appearance, except external applications of substances to the hooves or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics.
- 9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the Association for violation of this Code of Show Ring ethics. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Association may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- 11. The act of entering of an animal in the show is the giving of verification of the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal and state statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
- 12. All open classes are restricted to residents of and animals raised in Carbon County and West Penn Township, Schuylkill County, except for the Horse Show (Department 1), and the games (Department 22), which are open to anyone. Youth classes are restricted to members of the Carbon County Livestock Show & Sale Committee.

 - b. Additions to certified herds over 6 months of age, unless official vaccinates under 18 months of age, will be required to have a negative test unless they are from a certified herd and were accompanied by a health certificate.
 - c. Animals over 6 months of age from non-certified herds, except official vaccinates under 18 months of age, will be required to have a negative test conducted after April 1st of the show year.

SECTION 145 - JUNIOR SPECIAL BAKING CONTEST

Open to children 8 to 16 years of age as of June 1, 2022. One entry per exhibitor.

PREMIUMS: Entry 4 Muffins 1st (\$10)

2nd (\$6)

 $3^{rd}(\$4)$

Quick and Easy Blueberry Muffins

This easy blueberry muffins recipe makes 10-12 standard muffins or 20 to 22 mini muffins.

Ingredients

1 ½ cups all-purpose flour

3/4 cup granulated sugar, plus 1 tablespoon for muffin tops

1/4 teaspoon fine sea salt

2 teaspoons baking powder

1/3 cup neutral-flavored oil; canola, vegetable and grape seed are great

1 large egg

1/3 to 1/2 cup milk; dairy and non-dairy both work

1 ½ teaspoons vanilla extract

6 to 8 ounces fresh or frozen blueberries (about 1 cup); see note below about frozen berries

Directions

• Prepare Oven and Muffin Cups

Heat oven to 400 degrees Fahrenheit. For standard-size muffins line 10 - 12 muffin cups.

Make Batter

Whisk the flour, sugar, baking powder, and salt in a large bowl. Add oil to a measuring jug that holds at least 1 cup. Add the egg then fill the jug to the 1-cup line with milk (1/3 to 1/2 cup milk). Add vanilla and whisk to combine.

Add milk mixture to the bowl with dry ingredients then use a fork to combine. Do not over mix. (The muffin batter will be quite thick see note below for more details). Fold in the blueberries.

Divide the batter between muffin cups. Sprinkle a little sugar on top of each muffin.

• Bake muffins 15 to 20 minutes or until tops are no longer wet and a toothpick inserted into the middle of a muffin comes out with crumbs, not wet batter. Transfer to a cooling rack. *For mini muffins, the baking time will be less —9 to 11 minutes.

NOTES

- You can make these with fresh or frozen blueberries if you use frozen, do not thaw the blueberries.
- Batter Thickness: The batter should be thick and "scoopable" not runny and not dry or extra thick like dough. If the batter is too runny, add flour, a tablespoon at a time until correct consistency. If the batter is dry or too thick, add milk, a tablespoon at a time until the proper consistency.

SECTION 150 - YOUTH BAKED PRODUCTS
