DEPARTMENT 10 – 4-H EXHIBITS
NO ENTRY FEE
Penn State Extension Carbon County – 570-325-2788
Ann Fogel – 484-695-2341

1. Members must have passed their eighth birthday and must not have passed their nineteenth birthday by January 1 of the project year (January 1 of the calendar year preceding the Pennsylvania Farm Show).
2. To be eligible to exhibit, the exhibitor must be currently enrolled in Carbon County and must be enrolled in the project(s) being entered. Registration must be done by March 31st of the current year.
3. All members planning to exhibit at the fair must register. Livestock entry forms must be postmarked by the United States Postal Service **by July 23**. Still exhibit entry forms must be postmarked **by July 23**. Entry forms and fees are to be submitted in accordance with the general rules found in the front section of the premium book. **NO LATE ENTRIES ACCEPTED!**
4. Members who enter their animals in fairs/roundups must compete in all projects for which they are eligible, including fitting and showing contests.
5. All youth livestock members must abide by all rules and requirements, health or otherwise as set forth by the Carbon County Livestock Show & Sale Committee and CCLLFA as set forth in the club rules and Fair Premium Book.
6. Premiums will be offered on merit of excellence, not by entry alone. Therefore, in any one class all premiums may not be awarded if, in the judge's opinion, the other entries do not merit placement. This may also result in the omission of some placements such as first and second for awarding of only a third. Judges are all different, some may be looking for specifics, colors, or other things of interest in the area they are judging. In all cases, the decision of the judge is final.
7. All members must be present with their animals.
8. CCLLFA Ag Directors and the Carbon County Livestock Show and Sale Committee President / Chairman will make final judgments in answer to questions not covered by these rules or the general committee rules and guidelines.
9. At all times, you are expected to be on good behavior.
10. There are three classes for livestock showmanship. Junior (8-12), Intermediate (13-15), and Senior (16-18). The junior (8-12 inclusive) Youth Fitting Classes will compete for ribbon only. This will give these junior exhibitors valuable show ring experience. However, **junior fitting exhibitors will not be in contention for Champion Fitting honors, nor will they receive premiums for their placings.** Champion and Reserve Fitter will be chosen from the Intermediate and Senior Classes.
 *First year exhibitors, regardless of age, will show in their respective age group, not with first year showman and fitters.
11. **IMPORTANT** – The youth member exhibiting the animal in the fitting competition must do all the work himself. Assistance (such as holding) from another member is encouraged. Assistance from a parent, leader or another adult, is to be limited to verbal guidance. Where safety is a factor, adult assistance can be offered with discretion, but must be terminated when the task is complete.
12. For each section, each exhibit will have a number designation accompanying it. That number designation will break down to a department, section, class, division and category in some cases. At the very least, each entry should have a corresponding department, section and class. Most livestock entries will have all three numerical designations. Those numbers must be entered on the registration form correctly. An example of these numbers is as follows:

Department 10 – Youth

Section 4 – Sheep

Class 400 – Hampshire

Division 1 – Breeding Sheep

Category 3 – Ewe 1 year and under 2

If you are entering an animal meeting the above definition, your entry form should look like this.

Dept.	Sec.	Class	Division	Cat.	Var.	Description
10	4	400	1	3	—	Hampshire Ewe 1 yr. and under 2

Your display tags will be given out on entry arrival day at the fair. Entry arrival day is August 8, 2021.

13. Each youth livestock exhibitor may show and sell a maximum of 10 market animals at the Carbon County Fair with the total for each species being: Market Steers – 1; Dairy Beef – 2; Market Swine – 5; Market Lambs – 4; Market Goats – 4. Poultry exhibitors are limited to forty (40) entries (birds); rabbit and cavy exhibitors are limited to forty (40) entries (rabbits and cavyes). Members completing the poultry project may sell one pair of their choice at the livestock sale, members completing the meat rabbit project may sell one pen of 3 meat rabbits.
14. There will be no intact male project animals exhibited by youth.
15. Exhibitors will be expected to display or parade their animals as directed by the superintendent; to accept the stall assigned without controversy; to keep their animals in an attractive appearance, and to cooperate with officials in every way that may serve to increase the educational value of the show.
16. It is the responsibility of the exhibitor to know the judging schedule. Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing.
17. Keep in mind that we are guests at the Carbon County Fair and you are representing Carbon County Youth. At all times, you are expected to be on good behavior. To set a good example for yourself and the fair, you and your animals are expected to be clean and well-groomed upon arrival and throughout the fair.

LIVESTOCK EXHIBITS REQUIREMENTS

Health Rules and Regulations for youth livestock shall be the same as stated in the Open Departments in conjunction with rules as stated in Department 10. No animals showing clinical evidence of contagious, infectious or external parasitic diseases or under quarantine for any disease will be eligible for show purposes. Swine, sheep, goats & cattle for exhibition must be accompanied by an official health certificate (AAI-13) prepared by an accredited veterinarian verifying the health of the animals. A copy of the certificate shall be forwarded to the Bureau of Animal Industry in Harrisburg, if requested. The Animal Owner or Caretaker's Verification of Veterinary Consultation Relationship (VCR) statement for all animals being exhibited found at the bottom of the fair registration form must be signed by the exhibitor. The statement must be signed by the EXHIBITOR on their registration form. The veterinarian is NOT required to sign the VCR statement.

GOOD HOUSEKEEPING AWARDS

1. Youth livestock exhibitors with entries in Department 10 who maintain the most attractive and sanitary exhibits will be eligible for a prize to be determined by the fair committee. There will be awards for first, second and third place in each division.
2. All exhibits will be scored daily.
3. Areas taken into consideration are:
 - Cleanliness of animals
 - Cleanliness of your tack, feed, stall/pen area and equipment
 - Attractiveness of your area, decorations and displays
 - Availability of food and water for animals

Each member must have a market swine project and must show and sell at least 1 pig at our swine market show for project completion and for Farm Show eligibility. Market swine to be shown and sold at the fair must be owned and identified by May 1st preceding the fair.

Each youth member may feed and exhibit no more than five market swine to be shown as individual weight classes and a pair. Each member is allowed to enter one pair of hogs. Requirements for market swine pairs competition are as follows: Each member selects their two animals they want to exhibit as their pairs entry immediately after weigh-in at the fair. The pair competition will be divided into three weight divisions – Light, Middle, Heavy – your division is determined by the average weight of your two pigs in accordance with the weight cutoff figures used for the regular market swine.

Maximum weight for the show and sale will be 290 pounds; minimum weight will be 225 pounds.

Pigs will be broken down into their respective weight classes following weigh-in.

Youth members must be present and have charge of their animals at the time of judging.

HEALTH REQUIREMENTS:

- 1. A Certificate of Veterinary Inspection (CVI) issued within the 14 days prior to the opening date of the exhibition is required.
- 2. All market and breeding swine must: (1) have a negative official pseudorabies test conducted within 30 days of arrival at the show or (2) be a member of a Qualified Pseudorabies Negative Herd. The date of the pseudorabies test, or if a member of a Qualified Pseudorabies Negative Herd, the herd number and the date of the last quarterly or monthly herd test must be on the health certificate. **No brucellosis test is required for market swine.**
- 3. Included on the health certificate must be a statement signed by an accredited veterinarian that the swine and the herd from which the swine originated are free of clinical evidence of infectious disease. The Veterinary Consultation Relationship Statement found at the bottom of the entry form must be signed by the Exhibitor.
- 4. Individual animal ID is required. **An official RFID ear tag is required for market hogs.** Number on eartag must correspond to number listed on official health certificate.
