The 2026 Carbon County Fair will be held from August 3rd – 8th. The Fair was started 26 years ago by the community Lions’ clubs so they would have a place for the 4h kids to show their hard work of things they crafted or learned over the last year as well as a place for them to showcase their animals that they raised for that year. Each year, the cost of operating running the fair increases. The Fair is currently on rented grounds which means our costs include renting things like tents and portable toilets as well as generators and lighting even for the parking lot. It takes a lot of community support and funding to make the fair a success.

The Fair is looking for donations for several different things:

Entertainment: Sponsor a show on the main stage or the family show midway act. You do not need to sponsor the whole show just a donation toward entertainment is acceptable and appreciated.

Ag Department: Looking to defray the costs of the tent rentals for the animals and still exhibits. Tent rentals this year are going to be \$22,000. We are also looking to purchase some new tables for the still exhibit tents to display the items that individuals work so hard on through out the year. We would like to purchase approximately 20 tables at a cost of \$2000

We also have Sponsorship Levels Available:

Day Sponsorship	Diamond Level	Platinum Level	Gold Level	Silver Level	Bronze Level
\$10,000 And Above	\$2,000 Above	\$1,000 to \$1,999	\$500 to \$999	\$250 to \$499	\$100 to \$249

Although the Fair has purchased land to develop a permanent fairground, we are in the process of finalizing our land development plan with the township and moving forward with the development. Therefore, the Fair must continue with renting these items until we can move forward with permanent structures on the new fairgrounds.

As we look to this year, the Fair needs your help! We are reaching out to the community to acquire sponsors for the upcoming 2026 Carbon County Fair. The Carbon County Fair is a 501(c)3, nonprofit organization.

Please consider donating to this worthy cause that supports the youth of Carbon County. We look forward to having a successful Fair this year with the help and support of our community.

Sincerely,

The Carbon County Fair
